Friday Night Entertainment

Trip Wire

Trip Wire is a band composed of 4 seasoned professionals, each bringing unique talents to produce a rich, powerful

sound. *Trip Wire* carefully chooses each song to ensure that the audience will be moved to get up and dance. All four *Trip Wire* musicians are also talented solo singers, so that when vocal harmonies are required, a compelling, powerful and smooth sound is created. *Trip Wire* plays Country, Classic Rock 'n Roll, Motown, Oldies, and Funk for a large variety of musical tastes. If the song is good, we play it. The criteria: The song must appeal to the audience to keep toes tapping and people on the dance floor!
